

GARANTIITINGIMUSED 1. AS Semetron garanteerib tema poolt müüdud seadme(te)le garantiihoolduse alates ostu-müügi objekti üleandmisevastuvõtu vormistamise kuupäevast kuu jooksul. 2. Garantii saaja on kohustatud ostetud seadet/seadmeid kasutama vastavalt kaasasolevale kasutamishendile 3. Garantii saaja on kohustatud tagama seadme kasutamise ainult AS Semetron esindajalt vastava väljaõppe saanud isikute poolt, 4. Garantii ei laiene ostu-müügiobjekti vigadele, mis on tekkinud ostu-müügiobjekti mittesihipärase ja väär kasutamise tulemusel (sh. hooletus ja ettevaatamatus). Nimetatud vigade kõrvaldamisel tasub garantii saaja teostatud tööde eest AS-le SEMETRON vastavalt kehtivale hinnakirjale. 5. Garantii lõpeb juhul, kui tootja poolt on ette nähtud seadme kasutaja(te) koolitus ja ostja võimaldab seadet kasutada isikul, kes ei ole saanud müüja esindaja(te) poolt seadme kasutamiseks koolitust. Töökorras seade/seadmed üle antud:	TERMS OF WARRANTY 1. AS Semetron guarantees warranty maintenance for the equipment sold from the date of formalization of the handover-acceptance of the purchase-sale of the object within month. 2. The warranty recipient is obliged to use the purchased device(s) in accordance with the enclosed instructions for use. 3. The warranty recipient is obliged to ensure that the device is used only by people who have received appropriate training from a representative of AS Semetron, 4. The warranty does not extend to defects in the object of purchase and sale that have occurred as a result of improper and faulty use of the object of purchase and sale (including negligence). Upon elimination of these defects, the warranty recipient will pay for the work performed to AS SEMETRON according to the valid price list. 5. The warranty expires if the manufacturer has provided training for the user(s) of the device and the buyer allows the device to be used by a person who has not been trained in the use of the device by the seller's representative(s). Device(s) delivered in working order:
